DETAILED ACTION

Faxing of Responses to Office Actions

In order to reduce pendency and avoid potential delays, TC 3700 is encouraging FAXing of responses to Office Actions directly into the Group at (703)872-9306. This practice may be used for filing papers which require a fee by applicants who authorize charges to a PTO deposit account. Please identify the examiner and art unit at the top of your cover sheet. Papers submitted via FAX into TC 3700 will be promptly forwarded to the examiner.

1. Claim 25, 27 and 28 have been amended for further examination. Claims 1-11, 13 and 26 have been canceled.

Allowable Subject Matter

2. Claims 12-25 and 27-38 are allowed.

3. The following is a statement of reasons for the indication of allowable subject matter: No prior art of record discloses a method and apparatus for printing a perfect bound book comprising: a text printer; a cover printer; a lamination station for laminating a plastic film to both of the faces of the cover to form a double laminated cover; a cover conveyor for conveying the cover from the cover printer to the lamination station; a carriage receiving the book block after the text pages have been printed by the text printer, wherein an adhesive application is applied to the spine of the book block; the cover conveyor transporting the double laminated cover from the lamination station to a cover conditioning station, wherein the conditioning station conditions a portion of the inner lamination of the inner cover to facilitate adhesive binding of the book block to the cover and wherein the step of conditioning comprises roughening the surface of the inner lamination portion of the double laminated cover; and wherein the cover conveyor transports the double laminated cover to binding stations; wherein the binding stations have a clamp engageable with the outer face of the laminated cover to forcibly clamp the cover to the book block; and including all of the other limitations of the independent claim.
